# Priority 3

- Evaluate possible ways to measure treatment fidelity (Helen McConachie)
  - ▣ Only 5/18 RCT's on parent-mediated report treatment fidelity
  - ▣ Pooled out information on 3 different ways to report parent implementation from published RCT's
  - ▣ No clear model
  - ▣ Publication planned

# Priority 4

- Exploring possibilities for sharing data (Iris Oosterling)
  - 4 studies with shared baseline characteristics, outcome measures & 1 year follow-up interval, developing common data format
  - Proposed STSM
  - Output: paper

# Planning

- 2012
  - 2 STSM's
  - 3 proposed STSM's
  - Face-to-face meeting Brussels, early November?
- 2013
  - 2 planned papers
  - Training school part 1
  - 1 proposed STSM
  - 2 symposia on early intervention
- 2014
  - Mapping of research-ready sites for multi-center study

# Planning

- Short term:
  - ▣ Suggesting timeline, goals & deadlines (H&P)
  - ▣ Monthly conference calls? Decide on the need for that by doing regular email exchanges
  - ▣ STSM 2012 on parent-child interaction measures
  - ▣ Group project: describing national services (pilot)
- Longer term:
  - ▣ Training school 2013 on parent-child interaction measures
  - ▣ Early intervention symposium @ Imfar 2013
  - ▣ Other conferences...
- Ongoing:
  - ▣ Identify additional priorities, building onto outcome of current 4
  - ▣ Continuously updating summary table (H&P with input of WG members)
